23. Consent Calendar. Committee Reports.

24. SECRETARY:

25. Senator Vadalabene...Senator Vadalabene, Chairman of the

26. Committee on Executive Appointments and Administration to which

27. was referred the Governor's Message of March 1st, 1979 reported

28. the same back with the recommendations that the Senate advise

29. and consent to the following appointment.

30. PRESIDING OFFICER: (SENATOR DONNEWALD)

31. Senator Vadalabene.

32. SENATOR VADALABENE:

33. Yes, thank you, Mr. President and members of the Senate.

1. I move that the Senate resolve itself into Executive Session
2. for the purpose of acting on one of the Governor's appointments
3. set forth in the Governor's Message of February 6th, 1979. But
4. not confirm during our meeting of February 14th, 1979 because
5. his resume and Statement of Economic Interest had not been
6. received. I now have the statement and the Economic...Statement,
7. Mr. President and I would like at this time now to...to mention
8. the name of the nominee.

9. PRESIDING OFFICER: (SENATOR DONNEWALD)

10. Well, you're...you're moving to resolve into Executive
11. Session...

12. SENATOR VADALABENE:

13. Yes.

14. PRESIDING OFFICER: (SENATOR VADALABENE)

15. You're heard the motion. Those in favor indicate by saying
16. Aye. Those opposed. The Ayes have it. We are now in Executive
17. Session. Senator Vadalabene.

18. SENATOR VADALABENE:

19. Yes, thank you, Mr. President and members of the Senate.
20. To be a member of the Guardianship and Mental Health Advocacy
21. Commission for terms to be chosen by lot at the first meeting
22. and the meeting, incidently, is tomorrow and this is the urgency
23. of this appointment, John R. Schmidt of Chicago, unsalaried.

24. PRESIDING OFFICER: (SENATOR DONNEWALD)

25. All right. The question is, does the Senate advise and
26. consent to the nomination just made. Those in favor vote Aye.
27. Those opposed Nay. The voting is open. Have all those voted
28. who wish? Have all those voted who wish? Take the record.
29. On that question, the Ayes are 50, the Nays are None. The
30. majority of the Senators elected concurring by record vote,
31. the Senate does advise and consent to the nomination just made.
32. Senator Vadalabene.

33. SENATOR VADALABENE:

1. Yes, thank you, Mr. President and members of the Senate.
2. We want to make a clarification in regards to the terms expiring
3. on some nominees that were incorrectly posted. We were advised
4. that the terms of Joseph P. Bernardi and Lee Rae Reed of the Illinois
5. Valley Regional Port District Board are incorrect as listed. And
6. when we reviewed the records we became aware that the expiration
7. dates were incorrectly signed in 1973, thus resulting in this
8. error in the terms of expiration, Mr. Bernardi's and Miss Reed's
9. terms should expire June 30th, 1981 instead of June 30, 1979 and
10. I want the record to show that this correction was made.

11. PRESIDING OFFICER: (SENATOR DONNEWALD)

12. The record will so show. A Message from the Governor.

13. SECRETARY:

14. A Message...Oh...

15. PRESIDING OFFICER: (SENATOR DONNEWALD)

16. That's right Senator, we got to recognize Senator Vadalabene.

17. SENATOR VADALABENE:

18. Yes, thank you, Mr. President, I now move that we arise from...

19. PRESIDING OFFICER: (SENATOR DONNEWALD)

20. You've heard the motion. Those in favor indicate by saying
21. Aye. Those opposed Nay. The Senate does now arise. A Message
22. from the Governor.

23. SECRETARY:

24. A Message from the Governor by Zale Glauberman, Director of
25. Legislative Affairs.

26. Mr. President - The Governor directs me to lay
27. before the Senate the following message: To the Honorable members
28. of the Senate, the 81th General Assembly. I have issued the
29. following executive order transferring certain rehabilitation
30. services from the Department of Children and Family Services to
31. the Board of Vocational Rehabilitation.

32. PRESIDING OFFICER: (SENATOR DONNEWALD)

33. Senator Rock.

1. SENATOR ROCK:
2. Thank you, Mr. President and Ladies and Gentlemen of the
3. Senate. I read that message and I'm sure most of the members
4. did. We all received a copy. It is quite lengthy and I would
5. at this time that we dispense with the formal reading of the
6. message and that it instead be journalized.
7. PRESIDING OFFICER: (SENATOR DONNEWALD)
8. You've heard...
9. SENATOR ROCK:
10. ...and temporarily sent to the Rules Committee.
11. PRESIDING OFFICER: (SENATOR DONNEWALD)
12. It will be sent to Rules. Senator Vadalabene, for what
13. purpose do you arise?
14. SENATOR VADALABENE:
15. Yes, thank you, Mr. President. I would like to be shown
16. as joint sponsor of Senate Bill 113.
17. PRESIDING OFFICER: (SENATOR DONNEWALD)
18. Do we have leave? Leave is granted. Motions in Writing.
19. Just a moment. Senator Geo-Karis, for what purpose do you arise?
20. SENATOR GEO-KARIS:
21. I hope I'm in order. I would like to be added as a co-
22. sponsor of Senate Bill 133 and I checked it out with Senator
23. Nimrod, the primary sponsor.
24. PRESIDING OFFICER: (SENATOR DONNEWALD)
25. Do we have leave? Leave is granted. Motions in Writing.
26. SECRETARY:
27. I move to adopt the report of the Senate Rules Committee
28. which contain the recommendations for permanent Senate Rules
29. for the 81st General Assembly. Dated, March 1st, 1979. Signed,
30. Senator Philip J. Rock.
31. PRESIDING OFFICER: (SENATOR DONNEWALD)
32. Senator Rock.
33. SENATOR ROCK:

1. Thank you, Mr. President and Ladies and Gentlemen of the
2. Senate. I rise up...I rise in support of the motion to adopt
3. the report of the Senate Rules Committee which is embodied,
4. essentially, in the copy of the Senate Rules, which each
5. member has received and has had a couple of weeks to digest
6. and discuss. The rules have been consolidated. Some that were
7. obsolete have been eliminated. So instead of...as last Session
8. having seventy-four in number we now are down to fifty-seven
9. in number and we have attempted, I think, to reflect the current
10. practice of the Senate with respect to the electronic voting
11. and some of the other nuances that have occurred since...since
12. the rules were first adopted many years ago. Unless there's
13. any discussion, I am proposing that we adopt these rules as
14. distributed for the permanent Senate Rules for the 81st General
15. Assembly and I recognize that some of the members have, in fact,
16. amendments they wish to propose and I think they deserve the
17. kind of discussion and frankly the kind of time to digest as
18. was given the substantive Body Rules themselves. So I would
19. propose to the membership and I've discussed it with the Minority
20. Leader that we discuss the proposed amendments to the Permanent
21. Rules at the earliest possible time, yet allowing enough time for
22. a...some thoughtful consideration by the membership. So I would
23. propose that on Wednesday, March the 7th, when we return into
24. Session after the Joint Session with the House for the purpose
25. of receiving the Governor's budget recommendation that when we
26. come back on the afternoon of the 7th into Session we, at that
27. time, will consider the amendments. Senator Netsch has indicated
28. she has distributed some thirteen proposed amendments. I would
29. suggest that if any other member has amendments he wishes to
30. propose that they be distributed, hopefully, today certainly no
31. later than tomorrow so that the membership can have a chance to
32. read them and discuss them and digest them and be prepared to
33. argue and vote one way or the other next...next Wednesday.

1. PRESIDING OFFICER: (SENATOR DONNEWALD)

2. Senator Netsch.

3. SENATOR NETSCH:

4. Thank you, Mr. President. I...this procedure had been
5. suggested and I have probably, the largest number of amendments
6. pending. I think it is quite acceptable. I think it will give
7. the members a somewhat longer time to read and digest the various
8. proposed amendments. I would like to call and, as I understand
9. it then, Senator Rock, it...the agreed date for the consideration
10. of the amendments is March 7 following the Budget Message. Is
11. that correct?

12. PRESIDING OFFICER: (SENATOR DONNEWALD)

13. Senator Rock.

14. SENATOR ROCK:

15. That is correct and while we have the attention of the
16. membership, I might indicate that the Speaker and I received
17. this morning a request from the Governor's Office to have a
18. Joint Session of the General Assembly convene on Wednesday,
19. March 7 at the hour of noon. At the noon hour was the
20. Governor's request. The Speaker and I have acceded to that
21. as we always will and so I am proposing and when the Adjourn-
22. ment Resolution is offered, it will propose that when we leave
23. tomorrow we will return to Springfield on Wednesday, March the
24. 7th at the hour of eleven forty-five, which will give us time
25. to convene here and march upon the House as a Body.

26. PRESIDING OFFICER: (SENATOR DONNEWALD)

27. Senator Netsch.

28. SENATOR NETSCH:

29. Thank you. I would just add then, I would like to call
30. attention of the Senate members to the fact that among other
31. things a packet of some, I think it is ten to thirteen amend-
32. ments, has been distributed to your desks today. Those are
33. proposed amendments to the rules...to the Temporary Rules as

1. amended. I assume that the amendments that are being offered
2. now would be adopted and I've tried to take that into consider-
3. ation in drawing my proposed amendments. I would hope that you
4. would make sure that you find your copy of them and have a chance
5. to read them and I would, of course, be happy to answer any
6. questions before next Wednesday when we do, in fact, vote on
7. them. Thank you.

8. PRESIDING OFFICER: (SENATOR DONNEWALD)

9. Is there further discussion? The question is, shall the
10. Motion in Writing as put by Senator Rock...just a moment,
11. Senator Rock.

12. SENATOR ROCK:

13. I think a roll call is in order, Mr. President and I
14. would so request.

15. PRESIDING OFFICER: (SENATOR DONNEWALD)

16. The Chair was going to do that. Just a moment. Senator
17. Rhoads, for what purpose do you arise?

18. SENATOR RHOADS:

19. Thank you, Mr. President. A question on page 13 of the
20. book if Senator Rock can answer it?

21. PRESIDING OFFICER: (SENATOR DONNEWALD)

22. Senator Rock.

23. SENATOR RHOADS:

24. I haven't asked the question yet. Senator Rock, what is
25. your interpretation of the first paragraph under D?

26. PRESIDING OFFICER: (SENATOR DONNEWALD)

27. Senator Rock.

28. SENATOR ROCK:

29. Well, my understanding...when we met in the Rules Committee,
30. it...it was, frankly, kind of gone over in a cursory manner but
31. my understanding was that this was the old language and that there
32. was no...there was no substantive change.

33. PRESIDING OFFICER: (SENATOR DONNEWALD)

1. Senator Rhoads.

2. SENATOR RHOADS:

3. This simply doesn't comply with the...with the State
4. Constitution. I...I...we had three hours of Committee of the
5. Whole and debate on this subject. We had a...a record vote on it...
6. on the proposed change by Senator Netsch and yet here it...it
7. turns up in this report. I...I just like to know what...what
8. that vote meant?

9. PRESIDING OFFICER: (SENATOR DONNEWALD)

10. Senator Rock.

11. SENATOR ROCK:

12. Yes, Senator Netsch, I know also wishes to speak to it.
13. I will suggest to you that there does appear this is the old
14. language but there does appear and I think you are correct,
15. there does appear to be an inconsistency and I, along with
16. yourself will offer an amendment to that on March the 7th.
17. We had just in the Rules Committee considered leaving the old
18. language in once the formal vote on the question of ratification
19. ...once the will of the Body was submitted on the question of
20. ratification. There does appear to be an inconsistency with respect
21. to the vote requirement for the calling of a Constitutional
22. Convention.

23. PRESIDING OFFICER: (SENATOR DONNEWALD)

24. Senator Rhoads.

25. SENATOR RHOADS:

26. Well, I think the safest procedure if...if Senator Rock
27. would be agreeable, would be simply to divide the question and
28. remove Rule 6 at this time adopt the rest of the report and then
29. we can put Rule 6 in proper shape. So I would move to divide
30. the question, Mr. President.

31. PRESIDING OFFICER: (SENATOR DONNEWALD)

32. You've heard the question. Senator Shapiro, did you wish
33. the Floor? Senator Shapiro.

1. SENATOR SHAPIRO:

2. Mr. President and Ladies and Gentlemen of the Senate. Even
3. though it appears as though there may be a conflict between the
4. two paragraphs, I think if you read the first paragraph very
5. carefully you'll say...you'll notice that the word propose is
6. used. In the second paragraph it...the word...the important
7. word is ratify. So it would appear to me that the second
8. paragraph would hold precedence over the third in that an
9. actual ratification takes a three-fifths vote. Now I think
10. it's up to the Body to decide what the differences are between
11. proposing and ratifying and I think that's the only question.
12. PRESIDING OFFICER: (SENATOR DONNEWALD)

13. Senator Netsch.

14. SENATOR NETSCH:

15. Thank you. I wonder, Senator Rhoads, I had already caught
16. that and had called it to the attention of Dick Durbin and while I
17. am on a different side with respect to what the vote ought to
18. be, I think that first paragraph is superfuse and I would...I
19. would suggest, Senator Shapiro, that I think it really is mis-
20. leading because this Body does not really have any legal authority
21. to propose an amendment to the United States Constitution. And
22. we could pass a resolution doing it but it's of absolutely no
23. use to anyone because it is not authorized by the United States
24. Constitution. The only thing the U.S. Constitution authorizes
25. this Body as a State Legislature to do is A, to ratify one
26. proposed by Congress or B, to pass a resolution calling on
27. Congress to call a Constitutional Convention for the purpose
28. of proposing one, both of which are covered in the second
29. paragraph. So that I think the first one doesn't really...it
30. theoretically could stand and be consistent with the second one,
31. but I think it tends to be confusing and misleading and it is my
32. own view that it ought to be removed and I will, if no one else
33. does it, Senator Rhoads, I will offer the amendment to do that

1. and I guarantee that. I would ask you not to take Rule 6 out
2. right now because some of the amendments are based on the
3. amended Rule 6 and it would just mess the whole procedure up
4. a bit. Would you agree to that on that understanding?

5. PRESIDING OFFICER: (SENATOR DONNEWALD)

6. Senator Rhoads.

7. SENATOR RHOADS:

8. Well, Senator Netsch, there were two resolutions before
9. the Senate last Session, one of which has been reintroduced by
10. Senator Lemke, which is a resolution under the terms of the
11. first paragraph of...of paragraph D here on page 13, which
12. requests Congress to convene a Constitutional Convention. Now
13. as I read that first paragraph I admit there is conflicting
14. language in the second paragraph but that would call for a
15. simple majority and on the same basis that I opposed your
16. motion, I would have to oppose this one because it is in
17. violation of the State Constitution. Now I don't see why we
18. couldn't divide the question and get Rule 6 redrafted in proper
19. form and then vote on it later. Maybe later today...I...so I
20. would have to renew my motion to divide the question.

21. PRESIDING OFFICER: (SENATOR DONNEWALD)

22. Senator Geo-Karis.

23. SENATOR GEO-KARIS:

24. Point of information, if I may direct it, please. If I
25. understand page 13 of Rule 6, D, Section D, actually I agree
26. with Senator Netsch, the first paragraph is ambiguous and
27. probably shouldn't be in there. I think if that paragraph
28. were stricken out and the second paragraph were in I think
29. we got all bases covered. I don't...I'm not opposing a
30. division so much to the question but I think we're taking time
31. that we can ill afford and all we need to do is strike out the
32. first paragraph under 6 D and then we will have the second
33. paragraph in, in line with what you passed last week.

1. PRESIDING OFFICER: (SENATOR DONNEWALD)

2. Is there further discussion? Senator Rhoads.

3. SENATOR RHOADS:

4. Would Senator Rock be acceptable to a motion to strike
5. merely paragraph D in Rule 6 and then we can get it redrafted
6. later? Then I would withdraw my motion to divide the question
7. and move to strike on the face...All right. Okay. Strike
8. the first paragraph under D on page 13 of Rule 6.

9. PRESIDING OFFICER: (SENATOR DONNEWALD)

10. I'm informed by the Parliamentarian that in order to do
11. what you request you would have to be...stick with the motion
12. that you had to divide the question and...and strike paragraph...
13. after...after the motion to divide the question is...is ruled
14. upon and...and probably given, then you would make the appropri-
15. ate motion to strike paragraph 1 of...paragraph D of Rule 6.
16. Senator Rhoads.

17. SENATOR RHOADS:

18. With that understanding that would be my procedure then if
19. it's acceptable to the President of the Senate.

20. PRESIDING OFFICER: (SENATOR DONNEWALD)

21. All right. Is there further discussion? The question is,
22. shall the question be divided? Those in favor indicate by saying
23. Aye. Those opposed. The Ayes have it. The question will be
24. divided. Now the question is, shall the rules...shall the
25. report of the Rules Committee as presented by Senator Rock,
26. particularly paragraph D of Rule 6 be stricken? The question
27. will be restated. It should be the first paragraph of sub-
28. paragraph D of Rule 6. Those in...those in favor indicate by
29. saying Aye. Those opposed. The Ayes have it. Paragraph...
30. the first paragraph of subparagraph D of Rule 6 is hereby
31. stricken. Now to the main question, shall the...shall the
32. Senate adopt the report as amended for the rules of the Senate...
33. the report of the Senate Rules Committee. Those in favor indicate

1. now they will...there will be a vote. Those in favor vote
2. Aye. Those opposed vote Nay. The voting is open. Have all
3. those voted who wish? Have all those voted who wish? Take the
4. record. On that question, the Ayes are 50, the Nays are none.
5. None Voting Present. The Senate does adopt, as permanent rules,
6. as submitted by the Committee...by the Committee on Rules of
7. the Senate as amended. Senator Rock.

8. SENATOR ROCK:

9. Thank you, Mr. President and Ladies and Gentlemen of the
10. Senate, if there is no more business to come before the Senate
11. we have two committee meetings scheduled for this afternoon.
12. I will certainly...the Chair will recognize those who wish to
13. be recognized...

14. PRESIDING OFFICER: (SENATOR DONNEWALD)

15. Well, just a moment...I...I'm advised by the Secretary
16. that there are a number of bills that just came in. Introduction
17. of bills.
